

JM-SH300L

Technical data:			Load reference:								
Item No.		JM-SH300L			Name of Load			Power (W)	Quantit	Working Time per Day	Working Days
Capacity		300VA			Color TV			65W	1	4	3 days
System voltage		24VDC			Satellite TV Receivers			25W	1	4	
Best output power everyday		350WH			lamp			11W	2	2	
Inverter	Output wave		Pure sine wave								
	Output voltage		AC110/220V								
	Output frequency		50HZ/60HZ								
	Output current		1.09A(220V) / 2.18A(110V)								
Solar panel	Pmax		100W								
	Vmp		35V								
	Imp		2.9A								
Battery	Capacity		24V65AH								
Part	Size (L*W*H mm)	Weight (kg)	20' (pcs)	40' (pcs)							
Power box	580*500*860	53	55	135							
Solar panel	1200*850*45	12									
Solar panel bracket	1460*85*75	13									
Battery	360*400*220	37
