

深圳市金联丰投资有限公司

Shenzhen Jian Lian Feng Industrial Co., Ltd.

We are glade to recommend one of our dominant products to you as follows,

Products Description: T8 LED
TUBE , with 265° View Angle
Different Designs available :
60cm, 120cm, 90cm, 150cm,
Warm White, Date Light, Cool White,
with frosted, transparent, striped cover.

Application Place:

- 1) Advertising light box.
- 2) Widely used in indoor lighting, Office, Supper Market, Hotel, Bar, Restaurant, Museum, Exhibition Hall, Factory, school, Warehouse, Home, Hospital, corridor, underground parking lot, etc.

Shenzhen Jian Lian Feng Industrial Co., Ltd.

Specification

Material	Aluminium House, PC cover, Aluminium PCB	Base	G13
Size	Φ26×1212mm	Working Temperature	-20-55
Led and Qty.	SMD3014,192PCS	CIP Rate	IP54
View Angle	265°	Life Span	50,000Hours
LED Efficiency	82.51Lm/W	Warranty	3 Years
Luminous Flux	1914Lm	Certificate	CE, RoHS, FCC, PSE
Total Power Consumption	22±1W	Carton Dimension	125×20×21cm
LED Power Consumption	18.5W	Qty/Ctn	20PCS
Working Voltage/Frequency	85-265VAC, 50/60Hz	G.W.	9.5kgs
CRI	71.5	Stacking limit	5Ctns

深圳市金联丰投资有限公司

Shenzhen Jian Lian Feng Industrial Co., Ltd.

Advantage:

1) Big view angle, 265° .

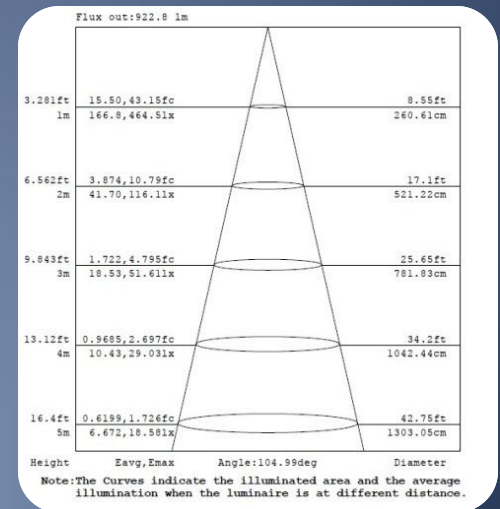

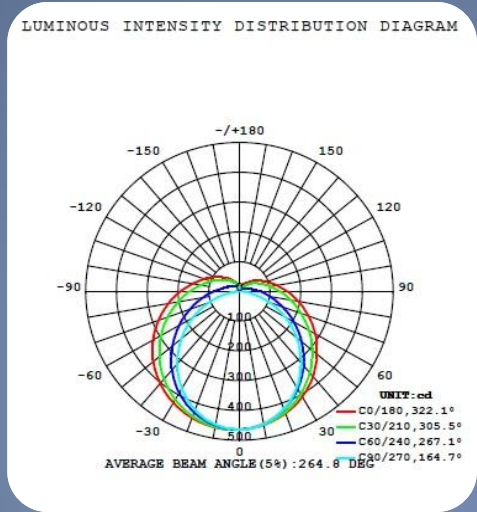

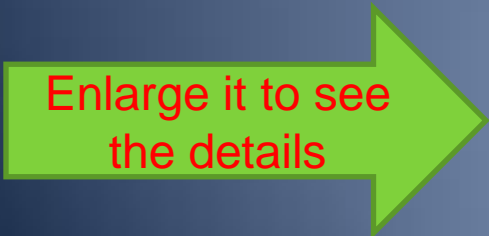

48%~121% larger than your competitor's LED tube with 120° ~180° view angle.

2) High Efficient and Energy Saving.

1914Lm Luminous Flux, 83Lm/W.

50% power consumption saving to the incandescent lamps. High quality constant current & voltage driver to keep the long life span of 50.000 hours. Time of Life span 5 times to the FLS lamps, and 50 times to the incandescent lamps.

3) Good heat dissipation, Easy Installing, No fragile glass, Unbreakable, Maintain free.

深圳市金联丰投资有限公司

Shenzhen Jian Lian Feng Industrial Co., Ltd.

Advantage:

4) Healthy and environment friendly.

No flickering, No buzzing noise, No RF interference, No UV/IR radiation, No toxic mercury (Hg), No Lead (Pb) or toxic phosphor powders.

5) Protect the Eyesight.

DC driven, soft light, high CRI, no flickering, The eyes don't feel fatigue when we read in the light even for a long time.

6) Super brightness and low lumen attenuation. Solid-state, high shock / vibration resistant

7) CE, RoHS, FCC, PSE certificates available. All the shape, size, color, brightness is available here and OEM and ODM orders are welcome.

Company Background

深圳市金联丰投资有限公司

Shenzhen Jian Lian Feng Industrial Co., Ltd.

Company Background:

- 1) 6 Years OEM/ODM Experience.
- 2) 2 proprietary factory buildings, totally 16,000 sq.m., with Molding Workshop, Painting Workshop, High Speed SMT Machine, Reflow Soldering Machine, Integrating Sphere, Goniophotometer System, CNC Lathes, Injection Machines, Laser Engraving Machines, Pad Printing Machines in house.
- 3) 80,000pcs output monthly in LED lamps.
- 4) 12 years experience in international sales and management of our Sales Director, guarantee efficient communication and feedback, as well as meticulous and professional service.
