Introduction to company

Established in the 1980s closely follows the steps of China's opening up to the world. With the factory location in a scenery village surrounded by blue mountains and clear water, lies on the south-west side of the famous tourism city Hangzhou. The SWE brand British Standard accessories are designed to meet the international high quality requirements.

With novelty ideas from the beautiful natural scenery around us, our R&D department always targets to bring eco-friendly designs to the consumers, and to ease the job for the electricians.

The elegant H-range are specially designed for the new international trend, to make your house cope with the most fashionable style.

The quality management system of Hangzhou Hongshi has gained approval from both BSI and ASTA to ISO 9001:2000. All the accessories offered by Hongshi have approvals for BSI, ASTA, etc.

A closely connected top management staff, and experienced work force with more than 1200 people, we are able to offer you high quality products with reasonable prices, trust us, SWE is your best choice for decoration of your home.

Contents
