

TDM 200 Economic Wax/Resin

Todaytec

Excellent Print Quality and Extraordinary Cost Savings

TDM200 is the most competitive option for a real wax/resin ribbon. It has excellent print quality and is suited for tough-to-print paper and synthetic labels like tyvek, mylar and laminates. It is produced with a back coat that allows for printing in excess of 3+ million linear inches. No other wax/resin provides the benefits and cost competitiveness of TDM200.
