

TDW108 General Purpose Wax

Todaytec

Excellent Printing and Cost Savings: TDW108 is one of the best choice for general purpose wax ribbon applications. It easily replaces competitive wax ribbons and has been developed to provide a sensible solution for excellent print quality, graphics and barcodes clarity at substantial savings. When compared to other general purpose wax ribbons, TDW108 prints at lower energy settings, creates a darker image and provides higher durability, all while printing in excess of 3+ million linear inches.
