

XMax Starry 2 in 1 vaporizer (Dry Herb&Waxy) is the newest vaporizer from Topgreen.

In order to keep clean taste, the XMax Starry is built with whole **isolated ceramic air-path**, ceramic heating chamber, magnetic ceramic mouthpiece and ceramic filter.

15 seconds fast heating, no more wait.

The **OLED screen** can easily help people to figure out the battery power and temperature settings.

Celsius and Fahrenheit can be switched for the people with different habits, to switch temperature display between Celsius and Fahrenheit, just hold the power button and down button together for 2 seconds.

5 minutes and 10 minutes auto shutoff time can also be changeable by customer self, to switch timer between 5 minutes and 10 minutes auto shutoff time, hold the power button and upper button together for 2 seconds.

USB charging and changeable battery is very convenient.

The XMax Starry has a series of glass accessories for option.

Use the XMax Starry with Glass Bubbler mouthpiece

Use the XMax Starry with Glass Water tip adaptor
