## CHARGING

1.To protect and extend the battery, It is recommended to charge your XVAPE V-ONE2.0 vapor pen at least 6 hours before initial use.
2.When plugged in and charging, the red led will be on.
3.The red led will turn off when the battery is fully charged.

If you have any concerns or if there is any problem please switch off the XVAPE V-ONE 2.0 and remove from the charger immediately. Do not try to remedy any defect yourself. Contact our customer service directly at support@topgreencig.com

Warning: XVAPE V-ONE 2.0 CANNOT BE USED WHILE CHARGING. Use while charging is dangerous. After using the V-ONE 2.0 concentrate pen or charging, please allow the device to cool down before storage. The V-ONE 2.0 should be stored in a clean dry place protected against the effects of weather and out of the reach of children.

## HEATING COIL CLEANING & COIL REPLACEMENT

1.**TO CLEAN YOUR HEATING COIL:** While your device is turned off, first unscrew your XVAPE V-ONE 2.0 heating coil from its corresponding base. You may either use a damp cotton swab to clean your mouthpiece and inside of your heating coil or directly submerge the two pieces(Mouthpiece and Heating Coil) in isopropyl alcohol. Once clean allow both pieces to air dry or dry off with a soft cloth or towel.
2.**TO REPLACE YOUR HEATING COIL:** Simply remove your mouthpiece, and unscrew the current heating coil from the base of the XVAPE V-ONE 2.0. Once the used heating coil has been removed you may now install the replacement by screwing it directly back into the base. Reinstall mouthpiece.

**DO NOT SUBMERGE OR CLEAN BATTERY WITH WATER OR ISOPROPYL ALCOHOL.**
**Always detach XVAPE V-ONE 2.0 heating coil from battery prior to cleaning. (DO NOT TOUCH THE HEATING ELEMENT IMMEDIATELY AFTER USE)**

## LIMITED WARRANTY

The product is warranted for a period of six months from purchase with receipt or six months from date of manufacture without receipt against defects in manufacturing, workmanship, and materials. This device is designed for the use of legal concentrates only. Any use of the XVAPE V-ONE2.0 with illegal substances will void the warranty.

The warranty does not apply to damage caused by accident, abuse, misuse, natural disaster, user error, or use outside the intended use described in the manual. Use outside the intended use as described in this manual also includes any tampering with device in any way including but not limited to modification to alter functionality or modification to alter appearance.

The warranty also does not apply to cosmetic damage including but not limited to dents, scratches/chips to finish, and/ or broken plastic parts.

Normal product wear and tear is not covered under warranty. Normal performance degradation of batteries is also not covered by the warranty.

To make a warranty claim, please contact customer support at support @topgreencig.com. The original bill of sale, authenticity code, pictures or videos, and any serial numbers are required to redeem the warranty.

At the manufacturer's discretion, warranty service will be provided by repair of the product or exchange of the product and/or part with a new or functionally equivalent product/part.

## CUSTOMER SUPPORT
