HEATING COIL CLEANING & COIL REPLACEMENT

- 1.**TO CLEAN YOUR HEATING COIL:** While your device is turned off, first unscrew your XMAX V-ONE+ heating coil from its corresponding base. You may either use a damp cotton swab to clean your mouthpiece and inside of your heating coil or directly submerge the two pieces(Mouthpiece and Heating Coil) in isopropyl alcohol. Once clean allow both pieces to air dry or dry off with a soft cloth or towel.
- 2.**TO REPLACE YOUR HEATING COIL:** Simply remove your mouthpiece, and unscrew the current heating coil from the base of the XMAX V-ONE+. Once the used heating coil has been removed you may now install the replacement by screwing it directly back into the base. Reinstall mouthpiece.

DO NOT SUBMERGE OR CLEAN BATTERY WITH WATER OR ISOPROPYL ALCOHOL. Always detach XMAX V-ONE+ heating coil from battery prior to cleaning. **(DO NOT TOUCH THE HEATING ELEMENT IMMEDIATELY AFTER USE)**

6

WARRANTY

To claim under the warranty, please contact your seller.

Please inspect heating coil prior to use, once used the coil will not be warranted.

We warrant solely to the original purchaser of the XMAX V-ONE+ that within the warranty period(as defined below), the XMAX V-ONE+ will be free from defects in materials and workmanship under normal use, and will conform to the Company's published specifications of the Products. The foregoing warranty is subject to the proper storage, transportation and use of the Products, but does not include defects in batteries, buttons and similar parts subject to wear and tear or deterioration and other special, consequential or incidental damage. Customer agrees to accept responsibility for such risks and to not hold the manufacturer, distributors or retailers (including owners and employees) responsible for any incident, injury to persons, or damage to property. Upon delivery, Customer should inspect the Products immediately for conformity and

7

visible defects. If there is a quality concern, Customer shall give Company written notice of any non-conformities or visible defects regarding the Products and contact Company in writing concerning return or repair. Our team shall provide timely e service within 24 hours after receiving Customer's written notice. Customer must provide photos/video or other evidence as a proof within 7 days.

The warranty period for XMAX V-ONE+ concentrate pen begins on the date when the Product is purchased by the Customer, and is valid for six (6) months.

Warranty options at the Company's discretion:

1. Repair the product defect.
2. Exchange the product with a new or functionally equivalent product.
3. The limited warranty does not apply to normal performance degradation of batteries or neglect and non-adherence to cleaning instructions.

8

All requests and notices from all Customers under this warranty shall be emailed to support@topgreencig.com

WARNING: PLEASE DO NOT USE XMAX V-ONE+ HEATING ELEMENT WITH ANY OTHER PRODUCTS

NOTE!

Please do not put this product away or leave it for extended periods of time with low charge because if the battery falls below 2% then it will no longer accept a charge.
