for Your HMI Running

REPLACEMENT CATALOG

EDITION 2024

SIEMENS

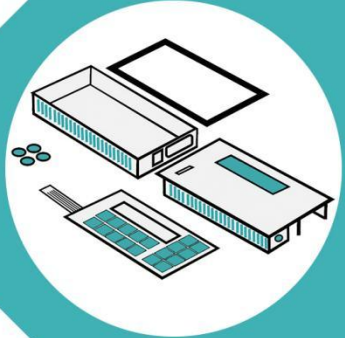

VICPAS only provide high quality accessories.

Over the past 15 years, VICPAS has evolved to one of the world's leading suppliers in professional HMI & robotic teach pendant accessories. We believe this success is a result of many factors but a key one is our goal of continuous improvement for all products, services and solutions we offer.

Achieving this level of quality is not easy when we must frequently obtain replacement parts for end-of-life or obsolete products. It's quite a challenge and in some instances impossible to still procure legacy components that are no longer manufactured. Therefore we have invested in producing our own line of direct replacement components to meet the original manufacturers quality and functionality. We have the utmost confidence in these items and back them with a 12 month warranty.

We would like to offer you, as one of our esteemed customers, the opportunity to benefit from our efforts. In this Replacement Catalogue you will find a listing of all the components we can offer you. Bear in mind that contact VICPAS for best price.

Looking ahead, we plan to expand our offering of additional replacements. Feel free to let us know what challenges you have, so we can work together in finding a solution.

Inventory of 50,000 Models

5-Minute Quotation

Same-Day Delivery

2-3 Days Arrival

12 Month Warranty

How to customize HMI parts?

Why can VICPAS provide the best HMI Parts solutions to you?

Unparalleled Expertise

With over 15 years of HMI operator panel parts experience. VICPAS continue to lead the way in HMI Parts Supply.

Full Support

A dedicated team of highly skilled technicians and engineers are on call for whenever you need them.

Personal Customization

VICPAS' s thoughtfully crafted design and advanced testing facilities ensure best-in-class products.

Small MOQ

VICPAS fully considers the needs of each customer, and there is no minimum order quantity limit. Even if only one piece is needed, it can be customized for production.

Fast Producing

VICPAS has a strong HMI Parts supply chain management system and major manufacturers around the world Elo, 3M Microtouch, Gunze, DMC, AMT, Liyitec etc.

Superior Quality

VICPAS' s thoughtfully crafted design and advanced testing facilities ensure best-in-class products.

VICPAS philosophy is to provide competitive prices and quality services to HMI & Robotic Teach Pendant maintainers to enhance your competitiveness in the local market.
