

Magnetic Materials Under Dual Use Goods Control

Case #1 Free to Go without any restriction	Case #2 Free to Go upon Dy/Tb free proof	Case #3 Need End Use Certificate
Expedite the delivery in case of any further action.	Suggestion: Ongoing Order - Check Dy/Tb If Dy/Tb found, apply for license now If Dy/Tb not found, free to go New Order - Required Dy/Tb Free (Case #1)	Apply for License Now.

PS: Magnetic Assemblies using Case#2 magnets and Case#3 magnets, see below

1. Magnets after deep processing, refer to Case #1. i.e. lifting magnets, magnetic separator, magnetic drum, etc
2. Magnets after simple processing, refer to Case #2. i.e. pot magnet, self-adhesive magnet, etc

Signed and Stamped End use & End-User Certificate Original Document is required.

Each item in Each PO requires one certificate. If all items in one PO are of the same use, then one certificate applies to all.

Export License takes 72 ~ 83 days after application. Approval is NOT guaranteed.

Policies may change from time to time, for further information, write to info@vectormagnets.com for more details.
