	Output	5V 3.1/4.8A
	Energy Efficiency	Over 85%, good charging performance
	Connection	USB port
	Material	Aluminum alloy
	Unit Price	US \$ 1.3-1.5 / piece
KC-0002	Product name	Dual Car USB Charger Real-Time Display
	Features	Real-time display current and voltage, Over Charging Protection,Fast charging car charger
	Chip	Built-in IC and PCB chip
	Input	9-24V
	Output	5V 3.1/3.5/4.8A
	Energy Efficiency	over 85%, good charging performance
	Connection	USB port
	Material	ABS
	Unit Price	US \$ 1.3-1.5 / piece
KC-0004	Product name	Usb Car Charger Support QC2.0/3.0
	Application	Car charger used for Smart phone/ Tablet/Ebook/ MP3/ MP4/ GPS/ USB Devices etc
	Features	Fast charging car charger Support QC2.0/3.0,Over Charging Protection
	Chip	Built-in IC and PCB chip
	Input	9-24V
	Output	5V 3.5A / 9V 2.0A / 12V 1.6A
	Energy Efficiency	Over 85%, good charging performance
	Connection	USB port
	Material	Aluminum alloy
	Unit Price	US \$ 1.8-2 / piece
