

AP

Base Station 5.0

TECHNICAL DRAWINGS

TECHNICAL DETAILS

Model	SETAP05
Dimensions (mm)	190 x 190 x 41
Color	White
Weight	335g
Operating voltage	DC 12V, PoE
Operating current	< 300mA
Wireless connectivity	Private Protocol
Communication mode	2.4G
Communication Distance	20 - 50m
Data interface	Standard network cable interface
Configuring interface	USB2.0
Operating temperature	-10° - 55°C
Storage temperature	-20° - 70°C
Operating Humidity	45% - 70%RH
Nixie tube context	Working station and AP number
Indicator light condition	Blue LED: Power indicator Red LED: Working indicator
Compliance	CE
Package (mm)	320 x 240 x 80
