

Wi-Fi Electronic Label

SETPW42R_V2 Specification

DALIAN SERTAG TECHNOLOGY CO., LTD

Sertag

4.2 inch WiFi Electronic Label SETPW42R_V2

TECHNICAL DETAILS

Product code

SETPW42R_V2

Dimensions (mm)

124*90*12mm

Display technology

3-color E ink display

Active display area (mm)

84.6(H) * 63.4(V)

Resolution (pixels)

400*300

Pixel size (mm)

120dpi

Pixel colors

Black/White/Red

Appearance color

White & grey

Viewing angle

Nearly 180°

Working temperature

0 - 50°C

Battery capacity

3000mAh(Rechargeable polymer battery)

Power supply mode

Type-C Interface charging

Battery lifetime

1-2 years (20 times / day)

Lights and Buttons

3*7-color LED & 3 keys

Communication mode

2.4G wifi b/g/n

Support content format

Text/Picture/QR code/Barcode

Wireless firmware update

Yes

Support remote control

Yes

Interface interconnection

Yes
