

The background features several decorative elements: a large blue circle at the top center, a smaller pink circle at the top right, a large grey circle at the top right corner, a dark grey circle on the left side, a small blue triangle pointing right at the top left, a small grey triangle pointing right on the right side, a small dark grey triangle pointing down on the left side, a large blue circle at the bottom center, a small blue triangle pointing down at the bottom right, a large dark grey circle at the bottom left, and a large pink circle at the bottom right.

How to fix the crack

Step 1.Fill Crack

- Using the 929 super glue to fill the small crack, if the the crack is big,then need to use the stone glue

Step 2: Polishing

- Using the manual polishing machine with dry polishing pads to polish the glue area (the pads polishing degree from low to high)

Dry Polishing Pads

Portable Polishing Machine

Step 3: Applying Wax

- Brushing the stone wax to the polished area

Step 4: Cleaning

- Cleaning the surface with steel wool

Step 5: Brightening

- Using the Polishing machine with the wood pad
