

C.cutting offers a wide type and material of pipe threading dies, the diversity of C.cutting products line can provide the most suitable option. Our pipe threading dies /cutting wheel are available for cutting and threading G.I-pipe, cast-iron-pipe, steel pipe, stainless steel pipe, black steel pipe with 1/2"-4". The threading dies are based on solid foundation for further precision process and heat treating. Also because of the high quality, certified material, the dies can be heat-treated for the perfect balance between hardness and toughness to resist heavy duty working. we supply and OEM cutting tools for customers in every market. Perfect replacements to first class brands all over the globe, like RIDGID, REX, ROTHENBERGER etc.
