WHO WE ARE?

GP Bottles, belongs to China based company Hangzhou Dahuan Technology, is dedicated to providing services of design & manufacturing of perfume bottle packaging for niche perfume brand, especially the brands who are lack of experience in design and manufacturing of perfume bottle packaging. Our all-round service will give you the ability to create unique perfume bottle packaging for your brand, so as to reflect the brand's unique style and connotation to bring better using experience to consumers. When the perfume brand launches a new fragrance or special style perfume, it would be much better if it can be fitted with one type of perfume bottle and cap which are more in line with its characteristics. GP bottles is dedicated to ensuring you and your customers with the unique perfume bottle design, competitive price and stable product quality.
