

# HANGZHOU SUPU BUSINESS MACHINE CO., LTD

High security data destruction equipment manufacturer for paper shredder, hard disk shredder and E-waste recycling shredding machine

Circuit board, Chip, Electronic component disintegrator

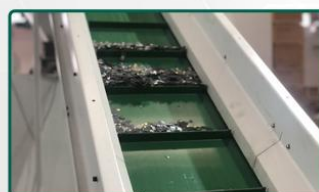

**SPD150**  
CD, chip, circuit board disintegrator  
Final particle size: under 1\*1mm<sup>2</sup> or customized  
Working capacity: around 5 kg per hour

**SPD200**  
Chip & circuit board disintegrator  
Final particle size: 1\*1mm<sup>2</sup>- 3\*3mm<sup>2</sup>  
Working capacity: 5-10 kg per hour

**SPD300**  
Professional chip & circuit board disintegrator  
Final particle size: under 1\*1mm<sup>2</sup> or customized  
Working capacity: more than 20 kg per hour

**SPD350**  
Chip, electronic component & circuit board disintegrator  
Final particle size: under 1\*1mm<sup>2</sup> or customized  
Working capacity: more than 80 kg per hour

**SPD750**  
Industrial PCB, Chip, electronic component & circuit board disintegrator  
Final particle size: under 1\*1mm<sup>2</sup> or customized  
Working capacity: more than 200 kg per hour
