LAH04	Thick Aluminum plate with Aluminum oxidation treatment, three colors: Red, Yellow, Blue, size:189mm*75mm

Lita Lock

Keeping workers safe

Lita Lock, a China based manufacturer, since 2017, active in manufacturing safety padlocks, electrical lockout, valve lockout, lockout station, tags and other lockout & tagout for global partners.

To help customers compliance with OSHA Standard 29 CFR 1910.147, Lita Lock does not only offer design, production and final assembly, but also a complete lockout & tagout solution for various industries.

Lita Lock pursues the competitiveness on creative, quality control, technology and sustainable development. As the founder of Lita Lock, Iris Chen says: “Many things have changed, but one thing that has not—our original intention to start businesses: keeping workers safe.” Together, we make work environments safer.
